Completion of Entry could only be done via Online Entry System

(<https://vp.eventival.com/bifan/2023>) and Preview screener link must be provided; kindly refer to [6.2](#) for details of Preview screener.

6.10 Property Rights

It is the sole responsibility of the Entrant to clear all content of the film from any and all actual or potential legal claims and issues, including but not limited to claims based upon using music, stock footage, and any other elements contained and/or used in the film. The Festival expressly disavows any responsibility for, and will not be held responsible for any legal issues that might arise from the inclusion of unclear materials in the film.

7. Selection

7.1 Selection process

Official selections will be chosen by the Festival’s Program Selection Committee amongst films which has successfully completed its online entry process. Only selected entrants will be contacted respectively via email by the end of May, 2023.

7.2. Withdrawal and/or cancellation of selection

Once a film has been selected, it cannot be withdrawn from the enlisted program.

Should there be any intentional and/or unintentional misgiven information on the entry form, the Selection Committee can reach an agreement to cancel the designated film’s status from the Program.

The Selection Committee reserves the right to cancel the selection once the person interested in the selected film gets involved in the case causing social controversy and when it is reckoned that it harms the objective of the Festival.

7.3 Screening section

Entrants cannot choose the screening section on the process of entry submission. It is the Selection Committee's sole authority and responsibility to determine each film's screening section.

8. Guidelines for Selected Films

8.1 Materials list for selected films and its coverage

(※APPLIES TO SELECTED ENTRANTS ONLY)

8.1.1 Materials list for selected films

For the official selections, each Entrant will keenly cooperate upon the request from the festival coordinators. Materials list includes, but not limited to:

- Screener: a downloadable file format AND a streaming link
- Synopsis: in English
- Dialogue list: in English and in Original language
- Director's profile photo, still photos of the selected film
- Director's Filmography: in English
- Director's Biography: in English
- Trailer of the selected film: a downloadable file format AND a streaming link
- Poster of the selected film

8.1.2 Use of materials and coverages

- Materials provided by the Entrant in request from the Festival shall be used including the festival's official publications, promotional publications (eg. Program Catalog, Festival guide) outdoor promotional materials, and the website before and after the festival to the press as well as the general public for publication and promotional purposes.
- The Festival's promotional activity coverage includes but not limited to newspapers, broadcasting, magazines and overall online activities on Social media channels.
- The Festival can edit on the submitted promotional trailer of selected films to create its own promotional video.
- In case the Entrant cannot/does not provide requested promotional trailer, the Festival can use excerpts from the submitted screener no longer than 3 minutes.
- Submitted screeners can be used at the video room which targets including, but not limited to domestic and/or international juries, journalists, press, and critics.
- The Festival has the right to use the photographs submitted by the copyright holder, while any other photographs being used must receive consent from the copyright holder in advance. If the copyright of the photograph should be marked, the copyright holder is ought to give notice beforehand.
- The Festival does its best to prevent any possible breach of property rights of selected films.
- The submitted materials will not be returned and/or discarded unless otherwise requested by the Entrant.

8.2. Screening Material (Print) (※APPLIES TO SELECTED ENTRANTS ONLY)

8.2.1 Formats

Screening Material (Print) of a selected film should satisfy one of the formats below:

DCP/HD CAM

And In case of DCP, the Screening Material should meet the DCI standard as follows

- HDD format: NTFS, Ext2, Ext3
- Color Space: X'Y'Z' DCDM
- Package: InterOp
- Frame rate: 24 fps
- English subtitles: either Burnt-in or xml (CineCanvas)
- Should there be any further guidance needed, the Entrant should follow the instructions from the festival coordinators accordingly.

8.2.2 Shipping Instruction

The final festival version of the film must be delivered to the Festival by the deadline. The Festival provides 'Shipping Instruction' detailing courier service, delivery conditions, etc. to the "Screening Material Source" given on the submitted entry of a selected film.

8.2.3 Shipping Cost

- The Festival covers the cost from/to the Festival for the Screening Materials which meet below criteria:
 - If the sender and the receiver of a Screening Material is the same with possible exceptions be allowed;
 - In case that from/to the Festival shipment process has been stuck to the provided Shipping Instruction;
 - etc.
- If a Screening Material is shared among festivals, BIFAN will follow the standard practice of cost sharing among festivals.

8.2.4 Return process

All screening materials will be returned to the address indicated in each entry form within 4 weeks after the Festival unless otherwise stated.

8.2.5 The Bucheon International Fantastic Film Festival's internal archive

It is in the long-term interests of the Festival to save a digital copy of every participating film in its internal archive in order to keep it as a reference point for the identity of the festival and its programming work as well as for the profile of its sections. Upon the copyright holder's approval, the films in the Festival archive are exclusively available to the festival's employees and the people concerned for internal use under strict regulations with careful copyright awareness.

8.3. Screening (※APPLIES TO SELECTED ENTRANTS ONLY)

8.3.1 Schedules

Date, time, and location of each screening is at the discretion of the festival.

8.3.2 English Subtitles

In case of a film's dialogue other than English, the Screening Material MUST contain English subtitles as will be guided from the festival coordinators. Should there be any technical and/or quality issue that arises, sanctions are possibly applied for screening.

8.3.3 Korean Subtitles

For non-Korean dialogue films, BIFAN makes Korean subtitles to provide the best experience to Korean audiences. All rights of the Korean subtitles reserved to the Bucheon International

Fantastic Film Festival.

8.3.4 Online Screening

- Online Screening will be proceeded through a process of consultation separately after being selected as the official selection.
- Films that have agreed to be screened online will be released through the official online screening platform during the festival period.
- Films that have agreed to be screened online must submit an additional print that conforms to the online screening format. If the copy for online screening is not provided, the online screening may be canceled, and Bucheon International Fantastic Film Festival is not responsible for it.

9. Miscellaneous

9.1 Compensation on Damaged or lost Screening Material

In case a Screening Material has been damaged or lost during selection process or festival period or even after the Festival, BIFAN limits its responsibility to the cost involved in making a new Screening Material according to the current laboratory rates for ordering a standard one.

9.2 Notes

- Definition of Entrant: including but not limited to a producer, director, domestic sales/distributor, international/world sales/distributor, and/or any possible person or a company/organization of the submitted film.
- Participation to the Festival implies that the Entrant adheres to the Rules and Regulations as here to be clearly set out.
- It is the sole responsibility of the Entrant to ensure that she/he is legitimately entitled to enter the film in the Festival.
- BIFAN Organizing Committee has the right to settle all cases unforeseen in the Rules and Regulations as well as to permit exceptions in special, well-founded cases.
- Should any dispute arise regarding the interpretation of the Rules & Regulations, those of Korean version are always binding.
- The above regulations take effect with the submission of a completed entry form (Info Sheet) signed by the director, producer, agent, or worldwide/domestic distributor of the film.
- The executive committee of the festival reserves the right to decide upon matters not discussed in the above regulations.

10. Force Majeure

Contents of the Rules & Regulations may be changed depending on the act of God. In case of the change on the Rules & Regulations, the related contents will be discussed by mutual consent.
